YOUTH PROGRAM BEHAVIOUR MANAGEMENT POLICY

It is Brandon Riverbank Inc.'s goal to provide a safe, healthy and secure environment for all children who attend our youth programs. We work hard to emphasize the following core values when working with children who attend our programs:

- ✓ To be respectful of all program participants and staff, and to treat everyone equally
- ✓ To take responsibility for one's own actions, and to be kind to all participants and staff
- ✓ To encourage honesty as the basis for all interactions and relationships
- ✓ To include all participants in all activities

It is our hope that all children stay for the duration of their program. However, we will not hesitate to promptly inform parents / guardians of their child's behaviour if it is disruptive to the program. If a solution is not found, the child will be sent home and there will be no refund of program fees.

Please note our Policy below regarding disruptive behaviour:

1. If a participant has required any behavioural warnings throughout the day, parents will be informed at pick up.
2. If a participant has been verbally warned to mind their behaviour three times, they will be removed from the group for a short time.
3. If a participant has been removed from the group twice, the parents will be called and informed at the time.
4. If a participant is removed from the group a third time, the parents will be notified that the child must leave for the day – their return on any following days for which they are registered will be discussed at that time.

In certain circumstances, we will be forced to withdraw a child from the program, waiving the above progressive policy. The following circumstances may warrant such removal:

- Non-compliance with the safety policies and procedures of our site and grounds.
- Use of abusive language or inappropriate behaviour directed at others by child or parent.
- Assault or threat of assault by a child or parent will result in immediate termination.
- Any destructive or violent behaviour by a child or parent that is harmful to any person, animal or property.

I have read and understand the above policy:
