BEHAVIOUR POLICY

It is Brandon Riverbank's goal to provide a safe and fun environment for all children who attend our Swamp Camp. We work hard to emphasize the following core values when working with children who attend our programs

- Be respectful and kind to all camp participants, staff & nature
- Take responsibility for one's own actions
- To include all participants in all activities
- Have fun!

Our instructor will gently resolve behavioural issues if they come up. If more than two situations happen in a day the child will be removed from the group for a short time.

Parents will be informed at pick up if their child has had any severe behavioural issues.

Depending on the seriousness of the behaviour, the child could be immediately removed and dismissed from camp. The parent/guardian will be called to immediately to pick up their child.

Refunds are not given if a child has been dismissed due to their behaviour.
